## *WHEATON CITY HALL STANDBY GENERATOR REPLACEMENT*

---

### *Request for Proposal Amendment #2*

*The following changes / clarifications / additions have been added to the Request for Proposal project specifications and plans:*

- QUESTION:** The Labeled Envelope Proposal for services has the operators manual and technical documentation. We will not have until the unit is built so we cannot give you the copy at this time. There is data they will not have until they build the unit.

**ANSWER:** Technical information must be submitted that indicates the features and product specifications for the manufacturer and model number of the generator being proposed. The specific information for the generator that is being built to order under this RFP must be submitted when generator construction is complete.
