Subject: ***Property Disposal Authorization Request for City Vehicle***

Due to the recent acquisition of a replacement SWAT vehicle, I am requesting disposal approval for the retired unit 301. This unit is a 1979 Ford E-350 that was a former electric service vehicle and most recently being utilized as a SWAT vehicle for the Police Department. Public Works Director, Joe Knippen has received an offer from an employee of *Moran Electrical Contracting* to purchase the vehicle for \$1,000. Due to the limited use for such a vehicle, it's poor condition and age, I do not anticipate being able to sell the vehicle or achieve near the \$1,000 at auction. When we took over use of the vehicle several years ago, it was then slated for junk disposal. I am in agreement with Director Knippen that we take the offer for the vehicle.
