DATE: April 11, 2016
RE: Recommendation to Award

Fire Hydrant Sandblasting and Painting Program

Solicitation Process: MPI solicitation coordinated by Lombard
Recommended Contracted Service Provider: Continental Construction Co.

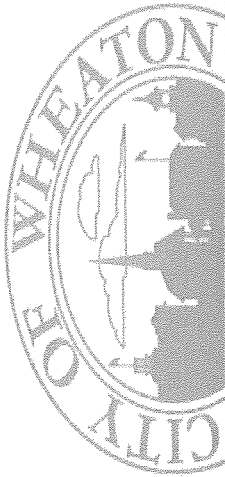

Fund: Water Account#: 50070380-64100 Account Description: Contractual Services Fiscal Year: 16-17 \$15,600

Budget: \$15,600
Request for Purchase: \$15,600 not to exceed
Budget Impact: \$ 0

Background: The city's decision to contract the above contracted service is based on the following:

- The Public Works Water Department maintains all city fire hydrants.
- The fire hydrants are scheduled to be sandblasted and painted at a rate of 300/year or every seven (7) years.
- This year the city chose to solicit with the MPI/DuPage group which was coordinated by Lombard.
 - Bensenville, Downers Grove, Lombard, Glen Ellyn, West Chicago and Winfield also participated.
 - This was a 3 year bid in which six (6) bidders responded.
 - The solicitation also included an optional 2% annual discount if the contractor was permitted to store their equipment at the City. The City will be electing to take advantage of this provision.
- The last time the city bid these services was in 2010 when 10 bidders yielded a low bid of \$85.00/hydrant. In 2012, the contractor renewed for two years, with a 5% discount, bringing the price to \$80.75/hydrant. The following is the per hydrant cost for the three year period:
 - 2016 = \$58.00 (This represents a \$22.75 or 28.2% reduction from the prior year cost).
 - 2017 = \$59.00
 - 2018 = \$60.00
