DESKTOP and LAPTOP REPLACEMENTS

Invitation to Bid Amendment #2

The following changes / clarifications / additions have been added to the Invitation to Bid project specifications and plans:

1. **CORRECTION OF Amendment #1 Question #8:**

QUESTION: Do you want an OS pre-installed at all?

ANSWER: No. The City does require each desktop/laptop to come with a valid Windows 7 Professional, Windows 7 Ultimate, Windows 8 Professional, Windows 8.1 Professional, or Windows 10 Professional OS license. We do not require the bidder to install the OS. The City has an Enterprise Agreement with Microsoft for desktop/laptop OS licensing and we will replace any installed OS with our customized Windows 10 Enterprise install.
