## PARKING PAYMENT MANAGEMENT STUDY

---

### Amendment #1

The following changes / clarifications / additions have been added to the bid project specifications and plans:

- 1. QUESTION:** Does the City have a budget for this report?  
**ANSWER:** The RFP will define the budget for FY18 (beginning 5/1/17).
- 2. QUESTION:** Is there a delivery timeline from the Notice to Proceed date for the DRAFT and FINAL Reports? In the Contract, there appears to be a \$500/day liquidated damages clause.  
**ANSWER:** The project schedule is to be determined. Vendors are asked to provide their estimated lead time to complete the study. Project time lines and deliverables will be determined at kick-off meeting between Vendor and Project Manager after Notice to Proceed is issued.

**Attachments:** None
