PARKING PAYMENT MANAGEMENT STUDY

Amendment #2

The following changes / clarifications / additions have been added to the bid project specifications and plans:

- 1. QUESTION:** Please clarify “qualified firms for professional services”. Does this mean that if an industry qualified parking consulting firm has not performed previous work for the City of Wheaton in the past, they will not meet the pre-qualifications to bid?
ANSWER: Please refer to the General Instructions: “Solicitations are open to all business firms actively engaged in providing the materials, equipment, and services specified and inferred. Active engagement will be verified via references.”

Vendors selected as finalists may be asked to provide a list with a minimum of three (3) references for projects of similar size and scope.
