WHEREAS, the City finds that the bid submitted by the Contractor meets the City's requirements for the Work.

NOW, THEREFORE, in consideration of the recitals and the mutual covenants, agreements, and conditions set forth in the Agreement, the parties agree as follows:

SECTION 1. SCOPE OF WORK.

A. Recitals. The recitals set forth above, including **Exhibit A** and **Exhibit B** are incorporated herein as substantive terms and conditions of this Agreement and represent the intent of the parties. Any inconsistency between the Work as stated by the City in Group Exhibit A and the Work as proposed by the Contractor in **Exhibit B** shall be controlled by the Work as stated by the City in **Exhibit A**, unless specifically waived in writing. Where this Agreement is inconsistent with any provision of **Exhibit A** or **Exhibit B**, this Agreement shall control.

B. Retention and Work. The City retains the Contractor to provide the Work and the Contractor, for and in consideration of payments made to Contractor pursuant to this Agreement, agrees to furnish all labor, materials, and equipment to perform the Work, as more fully described in **Exhibit A**, pursuant to the terms and conditions of this Agreement.

C. Independent Contractor Status. The Contractor shall act as an independent Contractor in providing and performing the Work. Nothing in, nor done pursuant to, this Agreement shall be construed (i) to create the relationship of principal and agent, employer and employee, partners, or joint-venturers between the City and Contractor; or (ii) to create any relationship between the City and any sub-contractor of the Contractor. Contractor is not in any way authorized to make any contract, agreement, or promise on behalf of the City, or to create any implied obligation on behalf of the City, and Contractor specifically agrees that it shall not do so. The City shall not have the authority to control the method or manner by which Contractor complies with the terms of this Agreement.

D. Reporting. The Contractor shall regularly report to the City's Project Manager, or his designee, regarding the progress of the Work during the term of this Agreement.

E. Time of Performance. This Agreement shall commence on **September 1, 2018** and shall terminate on **August 31, 2020**. The City, at its option, may extend this Agreement (the "Option") for one (1) additional one-year if the Contractor agrees to honor the prices, and all terms, conditions and specifications of this Agreement. If the City exercises this Option, the extended Agreement shall be considered to include this Option provision.

F. Additional Work. The Contractor shall provide only the Work specified in this Agreement. The Contractor acknowledges and agrees that the City shall not be liable for any costs incurred by the Contractor in connection with any Work provided by the Contractor that is outside the scope of this Agreement ("**Additional Work**"), regardless of whether such Additional Work are requested or directed by the City, except upon the prior written consent of the City. Additional Work that have been authorized in writing by the City shall be subject to the terms and conditions of this Agreement and payment for Additional Work shall be mutually agreed upon by the parties before the commencement of any Additional Work.

SECTION 2. COMPENSATION AND METHOD OF PAYMENT.

A. Agreement Amount. The total amount billed by the Contractor for the Work performed under this Agreement shall not exceed **\$28,080 (\$14,040 per year)** including reimbursable expenses, without the prior express written authorization of the City.

B. Invoices and Payments. The Contractor shall be paid as provided in **Exhibit A**. Authorization of payment requires the following: receipt by the City of invoices from the Contractor containing sufficient detail of the Work performed to enable the City to properly evaluate the payout request, and receipt of other paperwork required by this Agreement. The City shall pay Contractor in accordance with the Illinois Local Government Prompt Payment Act which states that any bill approved for payment shall be paid within thirty (30) days after the date of approval. Payment will be made to the Contractor either through the City's Purchasing Card Program, MasterCard, in which payment will occur at the time of Service delivery, or through a Contractor generated invoice. Invoices shall be submitted to the City within six (6) months of completion of the Work. Any invoices submitted in excess of six (6) months from the

date that Work were completed, will not be paid. Under no circumstances will a third party be reimbursed for Work performed under this Agreement.

C. Unappropriated Funds. The obligation of the City for payment to the Contractor is limited to the availability of funds appropriated in a current fiscal period, and continuation of this Agreement into a subsequent fiscal period is subject to the appropriation of funds, unless otherwise authorized by law.

D. Taxes, Benefits, and Royalties. The Agreement Amount includes all applicable federal, state and City taxes of every kind and nature applicable to the Work as well as all taxes, contributions, and premiums for unemployment insurance, old age or retirement benefits, pensions, annuities, or similar benefits and all costs, royalties, and fees arising from the use of, or the incorporation into, the Work, of patented or copyrighted equipment, materials, supplies, tools, appliances, devices, processes, or inventions. All claims or right to claim additional compensation by reason of the payment of any such tax, contribution, premium, costs, royalties, or fees is hereby waived and released by Contractor.

E. Account Records. The Contractor shall maintain records showing actual time devoted and costs incurred in connection with the Work performed under this Agreement and shall permit the authorized representative of the City to inspect, audit and make copies of all data and records of the Contractor for the Work done under this Agreement. All such records shall be clearly identifiable. The records shall be made available to the City during normal business hours during the Agreement period, and for three years after the termination of the Agreement.

SECTION 3. REPRESENTATIONS OF CONTRACTOR.

A. Standard of Care. The Contractor represents, certifies and warrants that it shall perform and complete the Work in a manner consistent with the level of care, skill, and diligence exercised by other recognized professional Contractors in the Wheaton area, under similar circumstances at the time the Work is performed. Contractor agrees that all employees shall have sufficient skill and experience to perform the Work assigned to them. The representations, certifications, and warranties expressed shall be in addition to any other representations, certifications, and warranties expressed in this Agreement, or expressed or implied by law, which are hereby reserved unto the City. Contractor shall perform, at its own cost and expense and without reimbursement from the City, and Work or work necessary to correct errors or omissions which are caused by the Contractor's failure to comply with the standard of care provided for herein.

B. Solvency. The Contractor represents that it is financially solvent and has the necessary financial resources to perform the Work with the standard of care required under this Agreement.

SECTION 4. INDEMNIFICATION; INSURANCE; LIABILITY

A. Indemnification. To the fullest extent permitted by law, the Contractor shall, without regard to the availability or unavailability of any insurance, either of the City or of the Contractor, indemnify, save harmless, and defend the City, and its officials, directors, officers, employees, agents, and attorneys, against any and all lawsuits, claims, demands, damages, liabilities, losses, fines, judgments, settlements, penalties, costs, and expenses, including, but not limited to reasonable expert witness and attorneys' fees, as well as costs of litigation, but only to the extent of (i) Contractor's negligent

failure to meet the representations set forth in Section 3 of this Agreement, and (ii) Contractor's negligent act or omission or willful misconduct in the performance or failure to perform, the Work or any part thereof of the Agreement, including any claims or amounts recovered for any infringements of patent, trademark or copyright; or from any claims or amounts arising or recovered under the Workers' Compensation Act, or any other State or Federal law, order or decree.

The obligation on the part of the Contractor to defend, hold harmless, and indemnify the City shall survive the expiration or termination of this Agreement. Contractor's liability for damages shall not exceed the sum of the total fee for Work performed herein. Nothing in this Agreement shall be construed as prohibiting the City, its officials, directors, officers, employees, agents or attorneys from defending, through the selection and use of their own agents, attorneys and experts, any claims, actions or suits brought against them arising out of the performance of this Agreement.

In the event that any claim for indemnification hereunder arises from the negligence or willful misconduct of both the Contractor and the City, the parties agree that any and all lawsuits, claims, demands, damages, liabilities, losses, fines, judgments, settlements, penalties, costs, and expenses shall be apportioned between the parties on the basis of their comparative degrees of fault, except as otherwise herein provided.

B. Insurance. Contemporaneous with the Contractor's execution of this Agreement, the Contractor shall provide certificates and policies of insurance, all with coverages and limits acceptable to the City, and evidencing at least the minimum insurance coverages and limits as set forth by the City in the Special Provisions for: Insurance Coverage for Professional Contractors, which is attached hereto and incorporated as if fully set forth, as **Exhibit A** to this Agreement.

C. No Liability to Any Third Party. Neither Party shall have any liability to any third party in contract, tort or otherwise for incidental or consequential damages of any kind, including, without limitation, punitive or economic damages or lost profits, regardless of whether the City shall be advised, shall have reason to know or in fact shall know of the possibility.

D. Third Party Beneficiaries. There are no third-party beneficiaries of this Agreement.

E. Patents. The Contractor agrees to protect, defend, and save the City against any demand for payment for the use of any patented material, process, good or device utilized or supplied in connection with the performance of the Work required or provided pursuant to the terms of this Agreement.

SECTION 5. CONFIDENTIAL INFORMATION.

A. Confidential Information. The term "**Confidential Information**" shall mean information in the possession or under the control of the City relating to the technical, business, or corporate affairs of the City; City property; user information, including, without limitation, any information pertaining to usage of the City's computer system, including and without limitation, any information obtained from server logs or other records of electronic or machine readable form; and the existence of, and terms and conditions of, this Agreement. City Confidential Information shall not include information that can be demonstrated: (i) to have been rightfully in the possession of the Contractor from a source other than the City prior to the time of disclosure of said information to the Contractor under this Agreement ("**Time of Disclosure**"); (ii)

to have been in the public domain prior to the Time of Disclosure; (iii) to have become part of the public domain after the Time of Disclosure by a publication or by any other means except an unauthorized act or omission or breach of this Agreement on the part of the Contractor or the City; or (iv) to have been supplied to the Contractor after the Time of Disclosure without restriction by a third party who is under no obligation to the City to maintain such information in confidence.

B. No Disclosure of Confidential Information by the Contractor. The Contractor acknowledges that it shall, in performing the Work for the City under this Agreement, have access to or be directly or indirectly exposed to Confidential Information. The Contractor shall hold confidential all Confidential Information and shall not disclose or use such Confidential Information without express prior written consent of the City. The Contractor shall use reasonable measures at least as strict as those the Contractor uses to protect its own confidential information. Such measures shall include, without limitation, requiring employees and sub-contractors of the Contractor to execute a non-disclosure agreement before obtaining access to Confidential Information.

C. Breach of Confidentiality. In the event of breach of the confidentiality provisions of Section 5 of this Agreement, it shall be conclusively presumed that irreparable injury would result to the City and there would be no adequate remedy at law. The City shall be entitled to obtain temporary and permanent injunctions, without bond and without proving damages, to enforce this Agreement. The City shall be entitled to damages for any breach of the injunction, including but not limited to, compensatory, incidental, consequential, exemplary and punitive damages. The confidentiality provisions of this Agreement survive the termination or performance of this Agreement.

SECTION 6. TERMINATION and DEFAULT.

A. Termination. Notwithstanding any other provision hereof, either party may terminate this Agreement, with cause, upon thirty (30) days prior written notice to the Contractor. In the event that this Agreement is so terminated, the City shall pay Contractor for the Work performed and reimbursable expenses actually incurred as of the effective date of termination, less any sums attributable, directly or indirectly, to Contractor's breach of this Agreement. The written notice required under this subsection shall be either (i) served personally during regular business hours; (ii) served by facsimile during regular business hours (iii) served by certified or registered mail, return receipt requested, addressed to the address listed at the end of this Agreement with postage prepaid and deposited in the United States mail or (iv) by e-mail sent to the Contractor's Key Project Personnel. Notice served personally, by facsimile transmission or e-mail shall be effective upon receipt, and notice served by mail shall be effective upon receipt as verified by the United States Postal Service. Contractor shall provide the City with its Key Project Personnel's e-mail address upon its execution of this Agreement. On receiving such notice, Contractor shall, unless the notice directs otherwise, immediately discontinue all Work under this Agreement. As soon as practicable after receiving the termination notice, Contractor shall submit an invoice to the City showing in detail the Work performed under this Agreement up to the termination date. Contractor's receipt of payment for Work rendered upon City's termination of this Agreement, is Contractor's sole and exclusive remedy for termination for convenience by the City. City's termination for convenience does not constitute a default or breach of this Agreement. CONTRACTOR WAIVES ANY CLAIM (OTHER THAN ITS CLAIM FOR PAYMENT FOR WORK PERFORMED), IT MAY HAVE NOW OR IN THE FUTURE FOR FINANCIAL LOSSES OR OTHER DAMAGES RESULTING FROM CITY'S TERMINATION FOR CONVENIENCE.

B. Default. If it should appear at any time that the Contractor has failed or refused to

prosecute, or has delayed in the prosecution of, the Work with diligence at a rate that assures completion of the Work in full compliance with the requirements of this Agreement, or has otherwise failed, refused, or delayed to perform or satisfy the Work or any other requirement of this Agreement ("**Event of Default**"), then the City shall have the right, without prejudice to any other remedies provided by law or equity, to pursue any one or more of the following remedies:

1. **Cure by Contractor.** The City may require the Contractor, within a reasonable time, to complete or correct all or any part of the Work that is the subject of the Event of Default; and to take any or all action necessary to bring the Contractor and the Work into compliance with this Agreement.

2. **Termination of Agreement by City.** The City may terminate this Agreement as to any or all Work yet to be performed, effective at a time specified by the City, and shall pay Contractor for the Work performed or reimbursable expenses actually incurred as of the effective date of termination.

3. **Withholding of Payment by City.** The city may withhold from any payment, whether or not previously approved, or may recover from the Contractor, any and all costs, including attorneys' fees and administrative expenses, incurred by the City as the result of any Event of Default by the Contractor or as a result of actions taken by the City in response to any Event of Default by the Contractor.

SECTION 7. COMPLIANCE WITH LAWS AND GRANTS.

A. **Freedom of Information Act.** The Contractor shall, within four (4) business days of the City's request, provide any documents in the Contractor's possession related to this Agreement which the City is required to disclose to a requester under the Illinois Freedom of Information Act ("**FOIA**"). This provision is a material covenant of this Agreement. Contractor agrees to not apply any costs or charge any fees to the City regarding the procurement of records required pursuant to an FOIA request. Should Contractor request that the City utilize a lawful exemption under FOIA in relation to any FOIA request thereby denying that request, Contractor agrees to pay all costs connected therewith (such as reasonable attorneys' fees and witness fees, filing fees, and any other expenses) to defend the denial of the request. The defense shall include, but not be limited to, challenged or appealed denials of FOIA requests to either the Illinois Attorney General or a court of competent jurisdiction. Contractor agrees to defend, indemnify, and hold harmless the City, and agrees to pay all costs in connection therewith (such as reasonable attorneys' and witness fees, filing fees, and any other expenses) to defend any denial of a FOIA request by Contractor's request to utilize a lawful exemption to the City.

B. **Generally: Permits/Codes/Business Laws/Safety Standards/Grants.** Contractor shall give all notices, pay all fees, and take all other action that may be necessary to ensure that the Work is provided, performed, and completed in accordance with all required governmental permits, licenses, or other approvals and authorizations that may be required in connection with providing, performing, and completing the Work, and will comply with all applicable municipal, county, state and federal statutes, ordinances, rules, and regulations, including without limitation all applicable building and fire codes, now in force or which may hereafter be in force, any statutes regarding qualification to do business, and all local, state and federal safety standards. Contractor shall comply with all conditions of any federal, state, or local grant received by Owner or Contractor with respect to this Agreement or the Work. Contractor shall be solely liable for any fines or civil penalties that are imposed by any governmental or quasi-governmental agency or body that may arise, or be alleged to have arisen, out of or in connection with Contractor's, or its sub-providers, performance of, or failure to perform, the Work or any part thereof. The Contractor represents that the only persons, firms, or corporations interested in this Agreement as principals are those disclosed to the City prior to the execution of this Agreement, and that this Agreement is made without collusion with any other person, firm, or corporation. If at any time it shall be found that the Contractor has, in procuring this Agreement, colluded with any other person, firm, or corporation, then the Contractor shall be liable to the City for all loss or damage that the City may suffer, and this Agreement shall, at the City's option, be null and void.

The Contractor represents and warrants to the City that neither it nor any of its principals, shareholders, members, partners, or affiliates, as applicable, is a person or entity named as a Specially Designated National and Blocked Person (as defined in Presidential Executive Order 13224) and that it is not acting, directly or indirectly for or on behalf of a Specially Designated National and Blocked Person. The Contractor further represents and warrants to the City that the Contractor and its principals, shareholders, members, partners, or affiliates, as applicable, are not directly or indirectly, engaged in, and are not facilitating, the transactions contemplated by this Agreement on behalf of any person or entity named as a Specially Designated National and Blocked Person. The Contractor hereby agrees to defend, indemnify and hold harmless the City, its corporate authorities, and all City elected or appointed officials, officers, employees, agents, representatives, engineers, and attorneys, from and against any and all claims, damages, losses, risks, liabilities, and expenses (including reasonable attorneys' fees and costs) arising from or related to any breach of the representations and warranties in this subsection.
