## WATER PUMPING STATIONS GENERATOR REPLACEMENT

---

### Amendment #1

The following changes / clarifications / additions have been added to the bid project specifications and plans:

- 1. QUESTION:** Please provide a specification for new chlorine equipment shown on drawing M-7.  
**ANSWER:** There will be no new chlorine equipment, so a specification is not needed.
- 2. QUESTION:** Please provide a specification table of contents.  
**ANSWER:** A table of contents for the project manual is not available.
- 3. CLARIFICATION:** There is a typographical error on the bid notice for the mandatory pre-bid meeting date. The correct date for the mandatory pre-bid meeting is Thursday, April 20, 2017 at 10:00 a.m.

**Attachments:** None
