RADIO FIRE ALARM MONITORING NETWORK

Amendment #1

The following changes / clarifications / additions have been added for the above captioned Project, dated May 12, 2017, as follows. All provisions of the original Drawings and Specifications shall remain in force, except as specifically modified or changed herein, or by other Addenda.

- 1. CLARIFICATION:** The pre-bid meeting sign-in sheets are attached as general reference.
- 2. CLARIFICATION:** There is a revision to the Cost Proposal Instructions. Vendors are to provide costs for relocating the receiving equipment from Wheaton Fire Station to DU-COMM. Revised Cost Proposal Instructions form, attached, must be submitted as your proposal.
- 3. QUESTION:** At what point after RFP award will equipment removal take place?
ANSWER: We do not have a set schedule, but we estimate that it will occur within 18 months.
- 4. QUESTION:** For new installations, is an A/C power source available for the radio transmitter, or would the installer be required to run a power line for new radio transmitter installations?
ANSWER: It is the fire alarm contractor's responsibility to provide power.
- 5. QUESTION:** Will the head-end equipment remain at the fire station?
ANSWER: The head-end equipment will be relocated to DU-COMM.
- 6. QUESTION:** New antennae to be installed at Police Department and DU-COMM?
ANSWER: Yes.
- 7. QUESTION:** How can we satisfy the requirement to be an authorized Keltron contractor?
ANSWER: Refer to Specifications, Section B., Item B-1: Contractors shall be an authorized Keltron wireless contractor in good standing. Provide a letter from the manufacturer attesting to this item with your proposal.

As part of the RFP evaluation process, we will check references and verify compliance with specifications.
