
Memorandum

To: Honorable Mayor and City Council
From: Linda Styczen, Procurement Officer
Date: August 21, 2017
Subject: Recommendation for Water Division Materials 2017

Background

One of the functions of the Water Department is to manage, repair and improve the City's water mains, storage tanks, fire hydrants, service taps, valves and water meters. Repair parts and materials are needed for routine maintenance, scheduled replacement and emergency repairs in order to maintain quality infrastructure.

Scope of Work

The scope of work includes the procurement of parts and equipment for meters, repair clamps, valves, hydrants and pipe fittings. Quantities of each item listed on the bid are estimates for FY 2017/18 and subject to change.

Results

The City issued an Invitation to Bid and five (5) bids were received. Staff evaluated the low bidder for each line item to ensure compliance with specifications and preferred manufacturer. The attached bid tabulation calculates the bid award based on the lowest price per line item and the estimated quantities needed. Total estimated purchases of water division materials in FY 2017/18 are \$144,896.26.

BIDDER	ADDRESS	BIDDER TOTAL
HD SUPPLY WATERWORKS	220 S. Westgate Drive Carol Stream, IL 60188	\$ 70,044.00
MID AMERICAN WATER	1500 E. Mountain Rd. Aurora, IL 60505	\$ 37,385.32
UNDERGROUND PIPE & VALVE	P.O. Box 279 Plainfield, IL 60544	\$4,659.30
WATER PRODUCTS CO.	P.O. Box 50 Aurora, IL 60507	\$17,598.48
ZIEBELL WATER PRODUCTS	2001 Pratt Blvd. Elk Grove Village, IL 60007	\$15,209.16
TOTAL ESTIMATED PURCHASES =		\$144,896.26

The purchase amounts are based on the estimated quantities used for bidding purposes. Actual quantities purchased may vary. Funding for Water Division Materials 2017 is included in the FY 2017/18 Water Fund. The budget is \$136,108.00. The Water Fund has additional reserves that can accommodate the additional cost, if necessary.

I recommend the City Council approve the execution of purchase orders for water division materials.
